- Manage a caseload, delivering high-quality, person-centred individual and group therapy.
- Facilitate engaging group sessions, therapeutic activities, and psychoeducational workshops.
- Collaborate within a multidisciplinary team to provide holistic, integrated care.
- Engage and support families as part of the therapeutic process.
- Participate in supervision, team meetings, and ongoing professional development.
- Contribute to community awareness and organizational development initiatives.

Role Requirements:

- Demonstrated empathy and ability to build strong therapeutic relationships.
- Strong active listening and effective communication skills.
- Ability to maintain professional boundaries and uphold strict confidentiality.
- Strong safeguarding awareness and commitment to safe practice.
- Fluency in Maltese and English (spoken and written).
- Ability to work independently and collaboratively within a multidisciplinary team.
- Strong organisational skills and accurate record keeping.
- Commitment to long-term engagement in the role.

Qualifications:

- QF Level 6 degree in Social Science (or currently in process of finalizing such qualification).
- Relevant experience and suitability will also be considered.
- Comprehensive Training and development opportunities provided.
